To whom it may concern

TOKAI Holdings Corporation
Katsuhiko Tokita, President & CEO
(Code No. 3167 Tokyo Stock Exchange First Section)

Overseas expansion of our AWS solution -Launch of AWS China region compatible solution-

TOKAI Communications (TOKAI COM), which is in charge of the information and communication business of the Group, has started to provide "AWS China Region Compatible Solution" to support the use of AWS China Region by Japanese companies with local subsidiaries in China.

TOKAI COM offers a wide range of IT services for individuals and corporates. In corporate IT services in particular, it has been supporting the use of AWS by many customers to date, providing all stages of AWS services on a one-stop basis, from implementation consulting to infrastructure construction, line connection, monitoring and operation.

TOKAI COM will continue to make full use of Group's data centers, wide area fiberoptic networks, and system development capabilities to provide comprehensive ICT solutions to the society.

* Amazon Web Services and AWS are trademarks of Amazon.com, Inc. or its affiliated companies in the United States and other countries.
